Scholarships, Housing and Additional Information

MSc and PhD students can apply for a scholarship (which is tax-exempt and bears tuition exemption). The current standard in the faculty is **5 scholarship portions (per month)**.

Students receiving a scholarship must meet the scholarship conditions, including full attendance on campus.

Furthermore, students who are deemed suitable will be able to work in T.A. positions for up to 1,100 employment units - [for more details](#).

Scholarship Portion Rate (per month)

Before a research proposal After a research proposal

| | | |
|-----------------|------------------|------------------|
| MSc Scholarship | 1,098 NIS | 1,174 NIS |
|-----------------|------------------|------------------|

| | | |
|-----------------|------------------|------------------|
| PhD Scholarship | 1,397 NIS | 1,518 NIS |
|-----------------|------------------|------------------|

The rates change from time to time. You can check for updates [here](#).

Students receiving a scholarship can apply for dormitories.

[for more details](#)

The faculty's awards program includes Excellence Awards for graduate students.
